This Week's "Success" Stories

Harold Lang Joins Ballet Russe Troupe

The most famous ballet troupe in the world today is the Ballet Russe. Now dancing with it in Hollywood is Harold Lang, graduate of Daly City's Jefferson Union high school.

In a letter to his parents, Mr. and Mrs. A. N. Lang, 14 Alp street, Lang this week told of joining the ballet, which is now making technicolor shorts at the film capital. Following the work at the studios, Lang will, in all probability, continue with the Ballet Russe in their New York season.

Lang, exceptionally young to have won a place with such a famous company, is well-known to Bay area ballet enthusiasts.

Harrison Gets Important Contract

A. M. Harrison, proprietor of Harrison Plumbing shop, 6236 Mission street, announced this week that he had been successful bidder on the plumbing and heating jobs to be done in connection with alterations to be done at the psychopathic ward, San Mateo County hospital, Beresford.

Harrison recently replaced the hot water system at the county hospital.

Fuchsias Win Fame For Bungalow Nursery

They know how to grow 'em, all right!

We're referring to Mr. and Mrs. H. Werle, proprietors of The Bungalow Nursery, Hillside boulevard, Colma. They entered many examples of their specialty—fuchsias and tuberous begonias—in the San Francisco Flower Show, August 27 and 28 at the San Francisco city hall.

The quality, size and beauty of their flowers earned them six first prizes—blue ribbons. This is the third consecutive year the Werles have won first prizes with their flowers.

They entered both cut and potted flowers, as well as hanging basket plants. The competition, which drew floral entries from all over the Bay area, was sponsored by the Dahlia society, to which the Werles belong.

On Floriculture and Horticulture day at the Sacramento state fair, September 3, the Bungalow Nursery exhibited fuchsias and tuberous begonias.

Hollywood Will Have Nothing On Daly City

Hollywood, with its world-famous drive-ins for coffee, lunches, and dinners, is to have nothing on Daly City. To make the film capital really jealous, Paul A. Wolter jr. is importing one of Hollywood's own finest chefs, Frank Hershey from the Lakeside Country club, to supervise the kitchen of this area's newest eating place.

Ye Olde, Junipero Serra boulevard and Pierce street, will swing its driveways and doors open for restaurant business, next Tuesday. Car service, coffee shop service, dinners, cocktails, and a

Leader Says Hitler "Must Be Beaten"

John Z. "Jack" Anderson, congressional representative from this district, told a dinner meeting of the Colma-Daly City Lions club, Monday, that Hitler must be beaten or it will mean the end of democracy in the world and the necessity of the United States maintaining an immense army and navy.

He spoke to a large gathering of Lions and their guests at Villa Mateo. It was to be his only public appearance on the coast during the interim between congressional sessions.

Anderson justified his voting for the draft extension on the

Tuneful, Tempting, Stupendous, Colossal--Tall Words-- But They Do Describe San Mateo County's Colorful Fiesta

Tuneful, tempting, stupendous and colossal are a few superlatives borrowed from the Hollywood handbooks, but they are quite pertinent in describing the gigantic entertainment announced for San Mateo County's 1941 Fiesta, to be held at Bay Meadows, San Mateo, from September 18 through September 21.

Fiesta officials today revealed their success in having signed, to headline a lavish stage show, America's sensational songster—the glamorous, exotic and no less talented Gertrude Niesen, star of stage, screen and radio, and appropriately titled "America's Swingheart of Song."

Miss Niesen, now in Hollywood on a film assignment, recently returned to the Coast after extended engagements in New York and Florida, where critics once again hailed her as the outstanding and most versatile entertainer in the theatre today.

And the spotlight goes even farther in the Fiesta show this year, for supporting Miss Niesen and in like calibre will be a special Hollywood Revue studded with superior acts of a varied type recruited from the best available in filmland, and dancing damsels of pulchritude, pep and personality effecting the intricate and eye-appealing routines that have made them "the glamor girls of the nation."

Music for this brilliant extravaganza will be led by the baton of handsome "Muzzy" Marcellino, the West Coast's own young maestro who comes to the Fiesta

Death Claims Edward John Ford

Death came suddenly to one of the earliest and most widely known residents of Daly City, Edward John Ford, at midnight, Sunday, in Klamath Falls, Ore.

He was stricken with a heart attack at an auto camp, where he was vacationing with his wife.

Ford had become a familiar figure in his job as desk sergeant at the Daly City police station. He had held this position since 1933. Previous to that time he was sealer of weights and measures for San Mateo county.

He first came to Daly City in 1906, and has made his home here ever since. Two years after his arrival he joined the Daly City Fire department. In 1913 he was elevated to the position of fire chief.

He was taken into the Daly City Veteran Firemen's association in 1926, and was secretary of the organization from then until the present.

Ford also was a member of Company No. 3, Daly City Fire department, the Daly City Widows and Orphans association, San Francisco Aerie No. 5, F. O. E., and Court St. Mary, No. 10, I. O. F., of San Francisco.

He is survived by his wife, Mrs. Charlotte Ellen Ford; three sons, George, Charles "Gus," and Har-

Credit Local Board With 149 Men

The local draft board has been credited with 149 enlistments in the American armed forces, according to Mrs. Effie Ford, draft clerk.

Of these 149 men, the board received credit for 89 up to June 1, and for sixty from that time to the present.

As explained by Mrs. Ford, a draft board "gets credit" for every man enlisted in the Ameri-

Peninsula Police Set Date For Annual Ball

The thirteenth annual ball, given by the Peninsula Police Officers association, will be held at Bay Meadows club house. San Mateo, Saturday, September 27, it was announced by Daly City Police Chief James G. Reardon.

Tickets to the affair may be purchased from any of the local police officers.

The receipts will be put into the Widows' and Orphans' fund.

A special floor is being added to the regular dance floor for old-time dancing, which needs space to be done properly, according to Reardon.

Music will be furnished by Johnny Dell's union orchestra.

As every year, the programs for the dance will have in them pictures of all the past presidents of the Peninsula Police Officers association, and, of course, the current president, "Barney" Hilton, former Daly City police chief.

Fire Department Answers Two Calls

Two small fires engaged several companies of the Daly City Fire department during the week.

A grass fire broke out on Vendome street near Hillcrest drive at 11 a. m., Thursday. Companies 1, 2 and 3 extinguished it without trouble.

Wednesday at 6:10 p. m. a fire was reported on the roof of Milo's market. Companies 1, 2, 3, and 4 took care of the small conflagration handily.

Automobile Rolls Into Old Schoolyard

An automobile parked on Alp street, Monday afternoon, slipped its brakes and rolled free across Mission street, into the schoolyard of the old Vista Grande school, coming to a halt when it struck the west fence bounding the yard.

The vehicle belonged to George Roscoe Rose, Redwood City.

Eight Teams Enter Local Tournament

They're off!

The eight teams of the Daly City Bowling league tournament will break away from the starting post at the Steel Bowl, South San Francisco, Friday, for a 21-week race.

Secretary of the league, R. L. Crane jr., predicted hot and heavy competition all the way. "There are many old-time rivalries that are going to be settled during this tourney," he said.

The teams entered in the play have been practicing for several weeks, and they have posted their team averages. The first round matches, with the averages of the teams, are as follows:

Sheriff's Office (836) vs. Milo's Market (792); Curry's Barbers (777) vs. Conci's Shell Service (751); Universal Press (748) vs. Daly City Eagles (747); Daly City Cleaners (692) vs. Lions club (674).

There will be no handicaps during the first round, but the second round will be played with handicaps based on the performances, this Friday.

League president is George Creel; vice-president, Johnny Dell; treasurer, Cliff Curry; and secretary, R. L. Crane jr. Each team will play every other team three times during the course of the tournament.

Jeff Night School To Start Classes

COUNCIL HEARS ORDINANCE

Opens Bids For Work On Mission, Hillside

First reading of an ordinance making it a police offense to park a car on a hill without turning the wheels in toward the curb was heard by the city council, Monday evening.

The purpose of the ordinance is to prevent the recurrence of runaway accidents caused by automobiles carelessly parked on hills. Two such occurences have endangered lives in Daly City during the past month. An automobile ran down Brunswick street August 13, injuring a small boy, and Monday, a car rolled down Alp street into the old Vista Grande schoolyard.

Bids for work on curbs, gutters and pavement to be put in on Mission street near Moltke and Vale streets, and on Hillside boulevard between Bismark and Gambetta streets, were opened. Of the three bids, that submitted by Peira and company was the low bid—$3,585.70. It was accepted by City Engineer R. A. Klassen.

At an adjourned meeting of the council, Tuesday, September 2, two motions were passed unanimously. One proposed a re-zoning of Industrial District No. 1 of Daly City, including within this area lots 1, 2, 3, 4, 5, and 6 of Block 18. The council will afford the public an opportunity to be heard at its meeting, September 22.

The other motion announced that the City of Daly City will receive sealed bids or proposals for the furnishing of two 600 g. p. m. pumpers for the Fire department. Bids must be given to the city clerk before 8 p. m., September 22.

Spirit of Carnival To Reign Here

For three days!

Fun and frolic and the spirit of carnival will reign October 3, 4, and 5 in the schoolyard of Our Lady of Perpetual Help church, just as it did last year at the same time.

It's the annual Fall Festival and Bazaar that last year attracted so many merrymakers and was the center of so much interest.

The parish committee, meeting Tuesday evening, announced that

Expand First Aid Training Program

Popularity of the first aid classes, sponsored by Daly City Unit No. 410, American Legion, has made it necessary to start an additional class to be given each Monday evening, it was announced by R. L. Crane jr., instructor of the group. The present class meets Tuesdays.

The first meeting, Tuesday, September 2, was devoted or organization and general background. The necessity of first aid was discussed, with a review of anatomy and the circulatory system.

Crane, a certified Red Cross instructor, announced that the class now has over thirty members—"a good cross-section of Daly City life."

"Daly City has become first aid conscious," he said.

The additional class will start Monday, September 15, at 7:30 p. m., Legion hall.

FOOTBALL

How Good Will They Be?

How good will they be? That's the big question-mark hanging over the practice field at Jefferson Union high school, where this year's football stalwarts are getting into condition for the nine-game schedule that faces them this season.

The Indians will put almost an entirely new team on the field. Only four veterans are returning to bolster Coach John Matthews' hopes. They are Jack Faulk, Roddy Dawe, Harlan Ferrando and Jack Rainey.

Though inexperienced, the squad has looked good enough in its week's practice to elicit a gleam of optimism from Matthews' eye. "There's a lot of good material," he said. "If they come 'round well enough during practice and the first couple of games, we ought to have a good season."

The coach admitted sadly that he would miss last year's star, Herb Poddig.

The first test will come in the opening game, when Jeff does battle with Tamalpais on the Indians' home ground, Friday, September 26. Their first league game will be against San Mateo, October 10, also on the locals' gridiron.

The football schedule to be followed by Jefferson high school is listed below. Asterisks indicate league games.

TRAFFIC COURT

Clay Fines Firpo For Recklessness

For driving in a reckless manner and causing the injury of Mrs. Rose Valente, 66 Theta avenue, Louis J. Firpo, 63 Werner avenue, was fined $100 by Judge Wade H. Clay, last Wednesday. In the default of payment, the defendant is to serve one day for every $2 of the fine in the county jail.

Firpo was found guilty of reckless driving with injury in Judge Clay's traffic court, Friday, August 29. Upon request of the defendant's attorney, sentence was postponed until last Wednesday.

The defendant appeared by counsel. At the end of the sentence the counsel gave a verbal notice of appeal.

Driving while under the influence of intoxicating liquor cost C. J. McManus, Redwood City, $50 in court, Friday.

Edward James McPhillips, San Francisco, was given a $25 fine for reckless driving.

Fred Stanley jr., San Mateo, was fined $10 for speeding.

Each of the following paid $5 for speeding: John Bacon, William Beare M. D., Arthur Bricker, Albert Jarman, Ivan Eby, James Duane, San Francisco; Charles Blyth, Burlingame.

Speeding cost each of the following $2:50: Sarah Stanton Boynton, Richard Davidian, Rita Milander, John Prunty (suspended), San Francisco.

Disregarding signals cost each of the following $1: William J. Lara, J. D. Cooper, San Francisco.

Fred Adams was given a $2.50 suspended fine for disregarding a signal.

Ticket Trickery

If you can get a traffic ticket "fixed" in your town the chances are that more serious offenses are also being condoned, according to the National Consumers tax commission, whose tax reduction drive seeks additional municipal economy and efficiency.

Pictured above with his fellow members of the Daly City Veteran Firemen's association is Edward "Ed" Ford, who passed away suddenly, Sunday night, at Klamath, Oregon. He is second from left in the first row. Ford was the victim of a heart attack. He had been secretary of the Veteran Firemen since 1926. See story, Page 1.

SARONG GIRL AND SARONG-SARONG

Dorothy Lamour, whose film career is tied to her sarong strings, holds Hollywood's newest gal of glamour, Sarong-Sarong, who cavorts with song and dance in the "Puppetoon" series. Many of the wooden stars and characters from these intriguing Paramount pictures will be making personal appearances at the San Mateo County Fiesta, which opens next Thursday.

from new triumphs in southern California, where his melodies won him the "solid south" with his latest interpretations and arrangements at filmdom's leading dance palaces and over the ether waves of NBC outlets.

The stage show is being prepared in the film capital by Jack Pomeroy, who promises novelty, color and variety.

A departure from past policy is being made this year, in that there will be no extra charge for the show. The purchase of a general admission ticket will admit the holder to the big-time show.

grounds of the Hitler threat. This bill was carried by one vote.

A member of the Naval Affairs committee, the representative told how he and 35 other congressmen had listened to General George Marshall plead for the passage of the bill. Marshall, he said, had warned them that eight months had passed before enough supplies had reached the camps to facilitate real training of the men. To let the draftees out after so little training would be futile and a waste, he said.

Anderson said that, although the navy was pretty well prepared for war-time conditions, the army was far below the necessary strength.

"We've kicked the army around for fifteen years," he said, "and now we expand it to ten times its former size in a year. We must expect some difficulties."

He quoted Marshall as saying, "Don't shackle my hands with laws!"

He recounted to the gathering of local businessmen his experiences in travelling with a subcommittee inspecting Pacific naval bases.

Expressing himself as amazed at the precision and accomplishment of the young naval gun crews, he lauded the superior morale of the American navy.

Concerning Russia's struggle against the Nazi's, he said, "They are doing us a favor, but I do not advocate any alliance with such a country."

Turning from the war to local problems, Anderson averred that the farm relief program is benefitting the Mid-west and the South many times more than it is the West.

"We are not getting the gravy," Anderson said.

At the conclusion of his talk he stated he refused to make any promises. "They simply won't work," he said.

The Daly City-Colma Lions club will meet today at noon at the Colonial cafe. Speaker will be Henry C. Hull, superintendent of schools of San Bruno. He will talk on education and national defense.

Honor Louis Gamba At Surprise Party

The honored guest was presented with many lovely presents by all who were present. After the opening of packages, games were played and music enjoyed by all.

At midnight a delicious supper was served from a beautifully decorated table. At each end of the table were huge birthday cakes.

Sanders and daughters, Alice and Lorraine, Mr. and Mrs. August Filch, Henry Filch, Mr. and Mrs. Davenport and son, Patty, Jack Coleman jr., Mr. and Mrs. Charles Lasher and two daughters, Barbara and Darlene, and Tom Beeson jr.

"Moon Over Miami" Coming To Daly City

All the lavishness of "That Night In Rio," the melody of "Tin Pan Alley," and the eye-appeal of "Down Argentine Way" have been brought together in the latest 20th Century-Fox Technicolor musical, "Moon Over Miami," which opens at the Daly City theatre tomorrow night.

Framed against the lush tropical beauty of Miami, the glamour city of the South, "Moon Over Miami" features Don Ameche, Betty Grable, and Robert Cummings in their most delightful and entertaining roles. The stars more than live up to their parts by giving outstanding performances. Charlotte Greenwood, Jack Haley, Carole Landis, and Cobina Wright jr., are other members of the star-studded cast whose acting merits orchids.

This amusing film is the gay, tune-filled tale of how to invest an inheritance. Two sisters, Betty Grable and Carole Landis, induce their aunt, Charlotte Greenwood, to accompany them to Miami. All three have just inherited $5,000, and Betty decides to invest it in clothes and a lavish suite at one of Miami's ritziest hotels. Her purpose is to hook a millionaire by looking like a millionairess. Carole poses as her secretary and Miss Greenwood as her personal maid. Betty is so convincing as an heiress that she not only hooks a millionaire, Robert Cummings, but another fortune hunter like herself, Don Ameche. Unfortunately she falls in love with Don before she discovers her mistake. Down to her last dollar, she accepts Bob's proposal, but before she can marry him, cupid sets things topsy-turvy for a mad-cap climax.

Companion feature on the new bill will be "The Big Store" with the Marx Brothers, Tony Martin and Virginia Grey.

Lolling in the moonlight on the sands of Miami Beach are Don Ameche and Betty Grable, the principals in the new 20th Century-Fox musical hit, "Moon Over Miami," which is slated to open tomorrow at the Daly City theatre. Robert Cummings is featured with them in the picture, and he is a rival of Don—but it looks as if the cagey Don has out-witted him this time.

Bank Observes Admission Day

Daly City branch of the Bank of America joined in the observance of California's ninety-first Admission Day by distributing a pictorial booklet "Cornerstones of California," describing dramatic episodes in the state's history.

These episodes were associated with historic woods from every county in the state used in the handle of the trowel with which A. P. Giannini laid the cornerstone of the bank's new head office building, soon to be opened in San Francisco.

"This booklet should stimulate a fresh sense of pride in California's progress and a still stronger faith in California's future," says Manager F. Erickson.

San Mateo county is represented in the booklet by a picture of the Jepson laurel at Crystal Springs in San Andreas Valley. The trowel wood from this county was laurel from the famous tree.

Erickson invited Daly City people to come in for one of the attractive booklets.

Senior Girl Scouts Spend Day at Plunge

Ten Senior girl scouts met at the home of their leader, Mrs. Lyal Ingersoll, 439 Crocker avenue, for a pot-luck dinner Friday evening. This was the opening of the girls' Fall term.

After the dinner, the girls held a round table discussion on "Girl Scouts in General." They also discussed some of the many activities they plan to have this term.

Taking advantage of the school holiday Monday, the girls met in front of McGraw's pharmacy and from there went to the Crystal Plunge for a day of swimming. Mrs. Ingersoll accompanied them.

The group announced they would hold a barbecue Saturday evening, September 20. The affair will take place at Redwood City. Ingersoll will drive the girls and their friends down in a truck.

"We will hold a short business meeting at my home preceding the barbecue," stated Mrs. Ingersoll. "I would like all the girls to be present at my home at 4 p. m."

WHY IS WAR?

We read the other day of a group of firemen working in shifts at the resuscitator and after grueling hours of exhausting labor, breathing life back into a tiny girl injured in a fire. In the same news we read of another group of men working in shifts—British and Russian air forces, planning the continuous bombing of Berlin.

The two items, side by side, led us off on a philosophical trail, musing on this unaccountable world we live in. What contradictory forces, we wondered, move one group of pleasant, intelligent and kindly young Americans to work until they nearly collapse, to save a life—and one equally pleasant, intelligent and kindly group of young Britishers to drop death from the night sky over Berlin! What murderous force demands that dogged young Germans follow a madman across the face of a continent, leaving a bloody trail where they pass?

Why should human beings, capable of the kindliness and sacrifice and good will we see demonstrated about us every day, every so often go berserk for blood and for power and plunge into war?

And why, since history has been recorded and since Christianity began has there been so little change for the better in human nature? That, we suppose, will always be a question to stop human beings like us, as long as history is recorded, as long as the world exists.

BREADBASKET BLUES

Bring up to date the old plea of the Gold Rush days, "Don't shoot the pianist—he's doing the best he can!", and it would read, "Don't blame your grocer—he's carrying more than his share!"

With the question of price control now entering a critical period, the retailer all too likely is apt to be blamed for rising living costs.

But let's take a look at the record. According to official figures, prices paid to farmers rose 26 per cent between June, 1939 and June, 1941. Real industrial wages in that time climbed 22 per cent on a weekly basis. Yet in that same period, living costs rose only 6 per cent.

The plain fact of the matter is that, despite sharp increases in farm prices, retail food costs are still low when balanced against the income of large wage-earning groups in the prosperity years of 1924-29. With earnings today well above the 1929 level, factory workers in July 1941 could buy 58 foods at retail for about 20 per cent less than in 1929. More efficient retail marketing, large-scale cost-saving distribution, plus the very real effort of retailers in shouldering a large part of the increased costs themselves, account for much of this savings. While consumers' living costs have advanced 6 per cent these last two years, prices to the retailers have climbed an average of more than 17 per cent.

So before blaming the grocer for your breadbasket blues, remember two things. Despite increased earnings, prices are still low compared to those of 1929. Despite sharply increased costs of what he buys, your retailer has sought to take up most of the slack himself. Naturally, he can't continue to do so indefinitely, but already we think he's done his bit.

LETTER TO THE EDITOR

(Editor's Note—No letter has appeared in our columns from a Garden Village resident, but since this letter may clarify the point in question, it is reprinted here.)

August 28, 1941.

Daly City Record,
Daly City, Calif.
Gentlemen:

Recently there appeared in your paper a letter from a Garden Village resident indicating that in case of fire the Villagers would not be aided by the Daly City Fire Department. They thought they had gotten this information from Mayor Fahey when he spoke to the village town meeting recently.

I am sure that this attitude is not representative of the village opinion. The Improvement Committee has authorized me to speak for them and explain that Mayor Fahey's attitude is, in our opinion, just and proper. He said, as we understand it, that the Fire Department would aid us in every way possible, and that if there were a time when fires broke out simultaneously in Daly City and Garden Village and there was general disaster all around, naturally the Daly City Fire Department would be obligated to serve Daly City first.

We would appreciate having this correction of the general attitude of Garden Village printed in your paper in order that there may be no misunderstanding between the people of this area.

(Signed)
Most sincerely,
BAXTER M. GEETING,
Chairman Improvement Committee, Garden Village

Comrade "Barney" Hilton was said to be doing well. Comrade E. J. Dalton is improving. The group expressed itself as "glad to see him around."

Comrade H. W. A. Rickmann was excused, as was Past President F. Hanson. Comrade Past President Julius Twesten acted pro tem as chaplain, taking the place of Rickmann.

A man everyone was glad to see among the comrades was Comrade Henry Elmers. Comrade Schmidt is now on a buttermilk diet, it was discovered.

DEFENSE BOND Quiz

Q. I would like to provide a regular income for myself when I retire. Can this be done by buying Defense Savings Bonds?

A. Yes. If you purchase a Bond for $37.50 each month, each Bond will mature in exactly 10 years. Thus at the end of 10 years you will have $50 payable each month as each of your Bonds reaches maturity.

Q. But I will need more than $50 a month?

A. Then you should invest a larger amount each month. Every $75 you put into Defense Bonds will pay you $100 ten years from now. Meanwhile, your money serves your Government during this period of national emergency.

Note—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C.

Puddings Please

By Frances Lee Barton

ASK the children what they will have for dessert and the answer is "pudding please!" It's the normal answer, for puddings please the normal child and usually his father and big brothers as well. Many claim pie is a man's dessert, but sometimes we feel pudding is entitled to this crown. Here's a recipe for a Chocolate Chip Cottage Pudding that will be a welcome guest whenever you serve it:

Chocolate Chip Cottage Pudding

1 package semi-sweet chocolate; 2 cups sifted cake flour; 2 teaspoons double-acting baking powder; ½ teaspoon salt; 3 tablespoons butter or other shortening; 1 cup sugar; 1 cup milk; ½ teaspoon vanilla.

Cut each small square of chocolate in 4 to 6 pieces Sift flour once, measure, add baking powder and salt, and sift again. Cream butter, add sugar gradually, and cream together well. Add flour, alternately with milk, a small amount at a time, beating after each addition until smooth. Add vanilla. Pour about ⅓ of batter into 8 x 8 x 2-inch pan which has been greased, lined with waxed paper, and again greased. Sprinkle ⅓ of cut chocolate over batter. Repeat, ending with chocolate. Bake in moderate oven (350° F.) 50 to 60 minutes. Serve hot with whipped cream.

Classes

Entertainment Committee

It doesn't take long for Jefferson's entertainment committee to get under way. With only three days of school behind them, the group has already laid plans for the semester's first dance.

New committee chairman, Frank Fino, called a meeting of the group, Thursday morning. Plans were made for a sports dance to be held in the early part of October. Fino then introduced the following new members to the group: Eddie Allen, Shirley Rice, Betty Sheridan, Norma Pedemonte, Tillie Castro and Viola Pisani.

Next meeting of the group will be held, tomorrow morning at 8 p. m. All members must be present as the group will finish plans for their dance.

Totem Pole

Under the leadership of Clive M. Saiz, the school's weekly paper will be distributed to the students next week. The staff will be composed entirely of new students.

The new editor, assistant editor and reporters will be announced in the near future.

Rallies

Cute Little Tillie Castro, Jefferson's yell-leader, today announced that this semester there will be more and better rallies. First rally on the program is scheduled for October 3 when the Jefferson warriors clash with the Balboa pirates.

Assisting the new yell leader will be Jennie Giusti, Pamela Yorkman and Jack Hickey.

The rally committee, which first went into effect last semester, has already started to work. Roy DeVincenzi, student body vice-president, has been appointed as leader of the group. DeVincenzi announced that the first meeting of the semester will be held tomorrow afternoon at 3 p. m. All students interested in presenting rallies are invited to attend.

Assemblies

First in a series of Tuesday assemblies will be the appearance of Attorney John L. McNab. He will appear next week in a special Constitution Day assembly.

McNab is one of the most prominent authorities on the United States Constitution in the West. His topic will be "The Constitution Today."

Class Elections

During the regular assembly period, today, class elections will be held. Student body president, Jimmy Parker, announced that the freshmen would go to the auditorium; sophomores, little theatre; juniors, gym; and the seniors, to the study hall.

Results of the election will be announced in next week's paper.

All students planning to run for office are required to have grades not below C-, Parker announced. If at any time the new officers' grades fall below that they will automatically lose their office. Politicians, better be careful!

Executive Board

At the board's next meeting a new sergeant-at-arms will be appointed. The office has been left vacant since last semester.

President Parker announced that over three hundred student body cards have been sold. The sale will last for several more weeks, and after that time a student will have to pay more for his card. (Better hurry and save your pennies for this privilege card.)

Campus Fashions

Shy isn't the word! In fact the words are right on your dresses from now on. Yes sir! Voted more popular than ever, by high school debs, is monogramming.

No matter what your name—don't hesitate to display it. Have it embroidered right on the pocket of your dress, cuff of your shirt or about the V-neck of your cardigan.

Also running a close race for first place in the young frys' pet fads are: long pearls on sweaters, torso waistlines, hipline sweaters, jockey hats, boy-girl sweaters with V-necks, vests and jackets, and the old fashioned pig-tails.

First to appear on our long line of fashion Misses is a cute little thing. She tips the scale at one hundred pounds, stands 5 feet, and has the prettiest redish brown hair you ever laid your eyes on.

Last semester she won first place in the State typing contest, so of course her favorite subject is typing.

When asked her pet like she showed the cutest dimple as she smiled and said "I love dancing." Her pet peeve is chipped fingernail polish.

She was dressed in a crisp white shirt, black skirt, white shoes and dark socks. She certainly looked fresh and cool even though the day was a scorcher.

Jean Hanselman is the name of our cute Miss. So to you, Jean, we give our fashion bouquet, tied with a big bow of typing ribbon.

Pardon me— have you heard?

Walter Steilberg will tell how he moved a **MONASTERY FROM SPAIN** to San Francisco in an illustrated lecture at the San Francisco Museum of Art, Wednesday, September 24 at 8:30 p. m. A Spanish monastery, gift of William Randolph Hearst to the city of San Francisco, was dissembled and transported to this country under the direction of Steilberg who will rebuild it here.

Moving pictures and lantern slides will illustrate the ingenious system devised by Steilberg in this task.

MONTEREY county which has already begun a week's celebration with brightly decorated streets and colorful costumed citizens will again throw open its hospitable doors tomorrow for its annual county fair, horse show and race meet.

Hundreds of out-of-town visitors from all parts of the country and all walks of life will again be attracted to what is fast becoming one of the most colorful fairs to be held anywhere in California.

The lure of Monterey with its rugged sea coast and beaches, many historic points of interest combined with its four day fair and carnival, nightly horse-shows, three of pari-mutual racing, will make it an irresistable maknet to tourists the length and breadth of the state.

Music

BAND

Something all Jeffersonites have always dreamed about — yes, you guessed it—a marching band!

The music room is all a twitter about the announcement that this semester the band will help bring their mighty Indians home to victory at all the football games.

Oscar Busch, musical instructor; Leonel Gray, faculty advisor of the entertainment committee; Miss Elizabeth Jones, head of the home economics department, met, Friday, to discuss types of uniforms and possible ways of financing them.

"Our biggest problem," stated Busch, "is that of raising money for the uniforms."

Marching practise for the band will begin next week. The group will learn to high step on the football field under the instruction of Busch.

Three students have already been chosen to lead the band as majorettes. The girls, Carmel Robin, Mary Sue Denton and Joyce Russel, have all had training and experience in this sort of work, stated Busch. Ester Hanel, well-known for her acrobatic work last semester, will also work with the band.

Sports

G. P. A. L.

Election of officers for the G. P. A. L. group will be held, tomorrow, after school in the girls' gym. All members and students interested in G. P. A. L. are invited.

COLOR-STYLING DID IT

COLOR SCHEMES AND DECORATING IDEAS SHOWN IN NEW PORTFOLIO AT STOCKTON LUMBER COMPANY

Hundreds of interior and exterior color schemes, shown in huge colorphoto reproductions on pages two square-feet in area, are the feature of a new color-styling portfolio which was recently received by A. L. Stockton Lumber Company, 6100 Mission street. Known as the Sherwin-Williams Paint and Color Style Guide, the giant portfolio is lent to householders, realty men and decorators at no cost.

The illustrations above shows, in black and white, one of the hundreds of rooms illustrated in fullcolor in the collection. A royal blue wall-to-wall carpet covers the floor, while the walls are painted in a soft, harmonious medium blue. Ceiling is warm rose-tan, and fireplace, bookcase and other trim is white enameled, providing a smart contrast between warm and cool and light and dark colors. Draperies and chair-covers are flowered blue-green chintz, sofa is a dusty orange and tables are walnut.

According to the Decorative Studios of Sherwin-Williams, who selected the color schemes in the Guide, all the paint colors shown come ready-to-use or are achieved merely by mixing two standard colors. Also, the color photos show exactly how a given color will look in a room, and the guessing and disappointment that formerly occurred when colors were chosen from tiny color "chips" is now eliminated.

This "credit" reduces the number of draftees required of the board.

Forty-five men from Daly City have enlisted in the army, 55 in the navy, 19 in the marine corps, and thirty in the national guard, according to figures available at the local draft office.

Thus far, the total number of men inducted by the local draft board is 142 white and two colored. Of these, sixty are from Daly City. This latter number includes both draftees and volunteers.

DALY CITY POLICE SEEK YOUTHFUL OFFENDER

Daly City police are on the lookout for a boy who entered Cabin 29 at Mission Auto court, last Wednesday night.

The return of the residents, Mildred Janis and Mary Morgan, scared him away. He had not taken anything, it was reported. Entrance had been gained through a front window, which was unlocked.

Doorbell ringing-- easy style

There's nothing mysterious about the way advertising works.

It's like the salesmen who go from house to house looking for customers.

Advertising does the same job on a larger scale.

It's quicker—reaches more people—at a lower cost per call.

In other words, it's a time saver, which means it's a money saver as well.
